

HATS FOR NAT PRAYER DRIVE

“Help us to help her!
She wants to help others”

Natalia Lopez

Natalia is a teen just like us. This 15 year old home school student, dancer and volunteer was recently diagnosed with AML Leukemia. She will be spending the next 9 months in Texas Children's

Hospital receiving chemo, losing her hair and helping those around her. One way she can help her new friends with cancer is by giving them a hat as they lose their hair. **That is where you can help!**

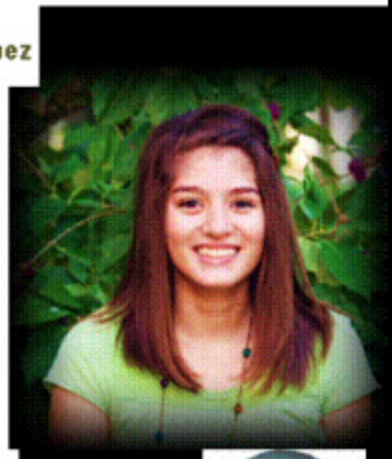

We will be collecting hats for her and her new friends. We ask that you buy a hat that you would wear yourself (Children ages 1-18), pray for Natalia, pray for the receiver of your hat, turn your hat in and then **keep praying**. Natalia will pick her favorite and then share the rest. She will pass them out to other cancer patients with the promise of your prayers.

To Learn more about Natalia visit:
<http://www.caringbridge.org/visit/natalialopez>

- Buy a hat you would wear.
- Pray for the person who will wear your hat.
- Pray for Natalia.
- Turn in hats by February 15th
- Keep Praying!
